

BARBARA P.,

Appellant

v.

ANNE ARUNDEL COUNTY  
BOARD OF EDUCATION,

Appellee

BEFORE THE

MARYLAND

STATE BOARD OF

EDUCATION

Order No. OR15-03

ORDER

The Appellant has requested that the State Board reconsider its decision in *Barbara P. v. Anne Arundel County Board of Education*, MSBE Opinion No. 14-66, issued December 16, 2014. In that case, this Board affirmed the Anne Arundel County Board of Education's decision declining to change a student's grade in his U.S. History class.

A decision on a request for reconsideration shall be made at the discretion of the State Board. A decision may not be disturbed, however, unless there is sufficient indication in the request that the decision resulted from a mistake or error of law, or new facts material to the issues have been discovered or have occurred subsequent to the decision. COMAR 13A.01.05.10D. The State Board has denied requests for reconsideration where the aggrieved party has failed to raise either of these arguments. *See Caryn J. v. Baltimore County Bd. of Educ.*, MSBE Order No. OR10-10.; *L.A. v. Montgomery County Bd. of Educ.*, MSBE Op. No. 10-36 (2010).

In her request for reconsideration the Appellant does not argue any of the above bases for reconsideration. She simply asks that the State Board reconsider her appeal. Thus, we find no new facts presented and no convincing arguments of mistake or error of law in the decision.

Therefore, on this 24<sup>th</sup> day of February, 2015, the request for reconsideration is denied.
