SUBJECT: COMAR 13A.08.05 (AMENDED)
Informal Kinship Care
ADOPTION

PURPOSE:

To adopt amendments to COMAR 13A.08.05 Informal Kinship Care (**ATTACHMENT I**).

BACKGROUND/HISTORICAL PERSPECTIVE:

In its 2002 session the Maryland General Assembly amended §7-101 of the Education Article, Annotated Code of Maryland, to address the enrollment in school of children receiving informal kinship care. As originally enacted, the law allowed children who were Maryland residents to attend public schools in the counties where the children were living with relatives providing informal kinship care. The law addressed only those children who were living with relatives in counties different from the ones where the children were domiciled with their parents or legal guardians. It did not address school enrollment for children living with a relative in the same county.

To fix this gap in the law, the Maryland General Assembly during the 2008 session amended §7-101 to allow for school enrollment of children in informal kinship care who are living with a relative in the same county in which the child is domiciled with the parent or legal guardian, but in a different school attendance zone within that county to attend the school associated with the district in which the relative lives. Section 7-101 (c)(2)(i)(2) not only effects the change above but also amends the form of the affidavit used to verify the informal kinship care relationship.

EXECUTIVE SUMMARY:

COMAR 13A.08.05 contains the implementing State regulations for informal kinship care. The proposed amendment aligns the COMAR provisions with the new requirements of §7-101. The proposed regulation was published in the Maryland Register, Vol.36, Issue 8, Friday, April 10, 2009. The public had the opportunity to submit comments until May 11, 2009. As of this date, no comments have been received.

Statement of Purpose

The purpose of this action is to define which children in Maryland would be considered children awaiting foster care placement.

Comparison to Federal Standards

There is no corresponding federal standard to this proposed action.

Estimate of Economic Impact

I. Summary of Economic Impact. The cost of transportation may increase due to including children awaiting foster care placement.

| II. Types of Economic Impact. | Revenue (R+/R-) | Expenditure (E+/E-) | Magnitude |
|---|-----------------------|---------------------|-----------------|
| | A. On issuing agency: | NONE | |
| B. On other State agencies: | NONE | | |
| C. On local governments: | (E+) | | \$294 per child |
| | Benefit (+) | Cost (-) | Magnitude |
| D. On regulated industries or trade groups: | NONE | | |
| E. On other industries or trade groups: | NONE | | |
| F. Direct and indirect effects on public: | NONE | | |

III. Assumptions. (Identified by Impact Letter and Number from Section II.)

C. The cost of transportation under McKinney-Vento Act of 2002 may increase due to including children awaiting foster care placement. The cost of transportation is approximately \$294 per homeless student. The inclusion of approximately 22.5 students will increase the cost per student slightly. This figure does not include the cost of homeless student transportation in Prince George's County since the county has a high number of homeless students and the nature of the county is such that transportation must be furnished by cabs.

Economic Impact on Small Businesses

The proposed action has minimal or no economic impact on small businesses.

Impact on Individuals with Disabilities

The proposed action has no impact on individuals with disabilities.
