

Indicator (c) 11 – In Progress – Provide, for the State, for each LEA in the State, for each high school in the State and, at each of these levels, by student subgroup (consistent with section 1111(b)(2)(C)(v)(II) of the ESEA), of the students who graduate from high school consistent with 34 CFR 200.19(b)(1)(i), the number who enroll in an IHE as defined in section 101(a) of the HEA

Status Report as of December 31, 2010

National Clearing House contract was negotiated and finalized. MD received the National Clearing House data. Report development and quality assurance continues.

The workgroup consisting of MSDE and the Maryland Higher Education Commission (MHEC) continued through the summer to define the requirements for the data exchange between to the two state agencies.

MOU between MHEC and the Maryland Department of Education has been finalized and implemented for the exchange of data. The MOU includes the element requirements for the data exchange.

Data linking of Maryland graduates and MHEC IHE data will occur at MHEC. Testing will begin in the first quarter of 2011. Quality assurance steps will be performed by MSDE between MHEC and the National Clearing House data.
