

GREGORY S. AND LAURA G.,

Appellants

v.

ANNE ARUNDEL COUNTY  
BOARD OF EDUCATION,

Appellee

BEFORE THE

MARYLAND

STATE BOARD

OF EDUCATION

Order No. OR13-04

ORDER

On May 2, 2013, Appellants filed this appeal of the decision of the Anne Arundel County Board of Education (local board) dismissing the appeal of their son's two day suspension from school because the appeal was untimely filed. Appellants maintain in their State Board appeal that they timely filed their case with the local board in accordance with the timelines set forth in the local board's policy. They point out, however, that those time frames are inconsistent with the time frames set forth in State law, upon which the local board relied in dismissing the case. Due to the discrepancy regarding the filing deadlines, the local board has requested that the State Board remand this matter so that the local board may review the case and issue a decision on the merits.

Therefore, it is this 23<sup>rd</sup> day of July, 2013 by the Maryland State Board of Education,

ORDERED, that the appeal referenced above be remanded to the local board for its review and a decision on the merits.
